## Acknowledgements

The members of the Interstate Technology & Regulatory Council (ITRC) Microplastics Team wish to acknowledge the individuals, organizations, and agencies that contributed to the Microplastics Outreach Toolkit.

As part of the broader ITRC effort, the Microplastics effort is funded primarily by the U.S. Department of Energy. Additional funding and support have been provided by the U.S. Department of Defense and the U.S. Environmental Protection Agency.

**The team leaders, Valerie Hanley (California Department of Toxic Substances Control) and Grace Anne Martin (South Carolina Department of Health and Environmental Control), along with the program advisor, Cherri Baysinger (Cymbella Consulting LLC), wish to recognize the efforts of several team members.**

**First, we would like to recognize Kim Nimmer (Orange Water and Sewer Authority (OWASA)).** Kim started on this team as a co-team leader with Valerie. When she accepted a new position where she was no longer eligible to co-lead the team, she graciously decided to remain with the team and step in as a subgroup leader. We appreciate her contributions and her willingness to stay with the team.

**The team would like to thank the following individuals who took on leadership roles within the team:**

Kim Nimmer, Orange Water and Sewer Authority (OWASA)
